Key Passage: Ruth 4:1-12 (NASB)**

Redemption is the action of regaining or gaining possession of something in exchange for payment, or clearing a debt.

In order to be part of Jesus’ redemption there is a path we must walk and a cost we must pay.

1. **It is a choice to participate in Jesus’ redemptive plan.** (Mark 8:34)
2. **Choosing to be part of Jesus’ redemption of the world causes an incredible transformation in our lives and the lives of those around us.** (John 8:31-32)
3. **There is always a cost to pay.** (Luke 14:33)
4. **Participating in Jesus’ redemptive plan happens through the strength and accountability of a community.** (Matthew 4:18-22)
