Key Passage: Acts 18:1-3a & Romans 16:3-5

Ministry **together** is one of the greatest joys of life!

- *A couple is usually intimidated to express their true faith when they are not on the same page or same level of faith.*
- *If your marriage is going to survive this life, settle the value of the 'faith' issue now or before you are ever married!*

"Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves. Each of you should look not only to your own interests, but also to the interests of others" (Philippians 2:3-4).

Our **faith** increases most when our spouse journey's alongside us! So does theirs!

Watching your spouse **grow** in Jesus is incredibly enjoyable and fulfilling!

- *Sharing the Word together strengthened their love for each other and their spirit of togetherness.*
- *Serving together showed other married couples how to make their own spiritual connections work more effectively.*

There are greater **possibilities** in life when couples join forces in ministry before God!
