Key Passage: John 12:12-19

Hope's pathway doesn't always look the same as we wish it to look.

Jesus enters Jerusalem, we call it the 'triumphal entry.' The people celebrated the entry for one reason, but today we celebrate it for other reasons that include:

I). The celebration of the King for His promises to **Eternity.**

Romans 8:19-22

II). The celebration of the King for His promises to His **people.**

John 10:27-28

III). The celebration of the King for His promises to **you.**

John 1:12-13

What are you celebrating personally because Jesus entered your life triumphantly?

What are you hoping to see, but the pathway isn't revealing itself exactly how you were/are figuring?

IV). The celebration of the King for His promises to His **Church.**

The Key Task for REC Vision: Make **Disciples**
