Key Passage: Luke 9:28-36

Movements & Discoveries on the Mount of Transfiguration

The disciples are invited out of the realm of the ORDINARY and into the realm of the SUPERNATURAL.

DISCOVERY # 1

Jesus is more than human.

The disciples move from being SLEEPY to being WIDE AWAKE.

DISCOVERY # 2

Jesus is the leader of a new Exodus, the world (and Israel's) long-awaited Savior.

The disciples move from MUDDLED thinking and nervous CHATTER to CLARITY and silent AWE.

DISCOVERY # 3

Jesus is the divine Son, the one to whom we should be listening.

The disciples are called to LISTEN and OBEY, to come down the mountain and follow Jesus, to follow Him to death and newness of life.

You have been invited to a divine encounter.

Are you open to the possibility? Will you to take the risk and reach out?
